

CMinAR Module Resources Outline

Name of Resource	Reflections on models in practice
Resource number	12
Resource type	Recording of interview and discussion
Resource location	
Author/contributor	Dr Anne Chant, Canterbury Christ Church University
Module/s linked to resource	Reflexive Practice
Description of resource	In this interview Dr Chant interviews a careers practitioner about her experience of using models of reflection in her own practice, working with young migrants and refugees. The practitioner speaks openly about the challenges of working with young migrants and refugees and the impact of using specific models of reflection to consider her practice.
